Elliott,

Thanks for the heads up on the remote access issue, we have a potentially significant snowstorm coming this weekend and many of us may have to be working remotely on Monday. Hopefully it's resolved quickly. Anyway, if you must review it offline and have not already started looking at it, please look at the attached version instead. The version I sent previously was missing a more recent edit by Mike Boydston.

Thank you,

Claudia

There is an issue with accessing it remotely.

Hi Elliott —

The version on Sharepoint now contains our responses to your comments.
Thanks to Claudia for the tremendous effort here. Would you be able to
look at it and complete your review by COB tomorrow? Ideally we'd like to
be able to turn it around early Monday and clean it up for OAR review.
